

**Michael Parnell** sees his coaching ministry as him being a wise fool. Mike's understanding of being a wise fool is based on the notion that to move forward one may need to find wisdom that many would consider being foolishness. He sees the goal of coaching is to help others find "the path less traveled by." Mike has been a pastor for over twenty-five years. His current pastoral role is in Halifax, Virginia where he has served for ten years. The greatest pleasure he has is seeing others find their way to where they long to be. It is a blessing to see others find the resource for change within them and discover God's mission being fulfilled through their lives. Mike can be reached through email at [jmparnell@gmail.com](mailto:jmparnell@gmail.com). He would love to help you move from where you are to where you want to be. Even if the way sounds silly.
