

# Summary of individual contributors

January 1, 2016 - December 31, 2016

Thank you to the many generous individuals who give directly to the mission and ministry of CBFNC. While the bulk of our financial support comes from church budgets, individual gifts have become increasingly important to our organization. Your financial partnership is necessary for our ministry and that of our many ministry partners around our state. We are grateful for everyone who contributes to the mission of CBFNC. Please continue to give through your church, but also consider joining those listed below by making a contribution directly to CBFNC.

This year we saw an increase of over 100 individual donors. For more information about how to support CBFNC financially, visit [www.cbfn.org/give](http://www.cbfn.org/give). Every gift, no matter the size, makes a difference!
