

**Al Thompson** - "As a coach, I help people get from where they are now to where they really want to be with less wasted time, less frustration, and more confidence."

Al Thompson is a pastor with 30 years of church staff experience, serving as Senior Pastor in churches with average attendances from 50 to 250, and as an Associate Pastor in churches with as many as 1000 in worship on Sunday. He has served in large town, small town, and rural settings. He currently serves as lead pastor of First Baptist Church, Wallace, NC. But coaching works regardless of setting, because it taps into the knowledge-base of the real expert on your situation -- YOU.

Al is a husband, father of three, and the author of Meet the Real Jesus: A No-Spin Look at Jesus through the Eyes of Matthew. He earned his Doctor of Ministry degree from Southern Seminary, and has training in conflict management, family systems, and congregational change management. He received his coaching training through Coach Approach Ministries.
