2018-2019 CBFNC Theological Education Scholarship Recipients

Listings include scholar name, hometown, current church membership, ministry goal, and school. Visit www.cbfnc.org/give to donate.

Thanks to you . . .

CBFNC has provided a tremendous level of support for theological education in our state and beyond.

25 students have received direct scholarship aid. These students are enrolled in divinity schools and seminaries in North Carolina and other parts of our country.

\$344,607 has been provided by congregations and individuals through the CBFNC Mission Resource Plan to support theological education.

4 in-state partner divinity schools have received significant support to aid specific scholars and to underwrite additional costs of delivering quality theological education.

Thank you for your partnership in preparing leadership for Christian ministry.
