

Jayne Davis - There are few things I enjoy more than working with individuals or groups as they discern God's Spirit 'bubbling up,' connect the dots of how God might be leading, and then live into that vision. Whether you are stuck in the challenges of the present, being nudged by the Spirit in ways yet defined, or trying to mark out a path toward a desired future goal, as a coach, I can help you to clear through the clutter of fears and barriers, to stretch your thinking as you discover options and possibilities, and to move from where you are to where you want to be.

As a Christian coach, I've been trained in individual, team, discipleship and congregational coaching. I am working toward my ACC credentialing through the International Coaching Federation. I've served as the Minister of Spiritual Formation for 12 years at FBC Wilmington, NC, and worked as a director and consultant in the non-profit world for ten years prior to that.
